1. All components of cupcakes must be made **100% from scratch** (no box mixes or prepared icings or fillings) **except** sprinkles, candies, or other forms of decoration, which may be store-bought.
2. All cupcakes will be judged on taste, texture, and presentation by area chefs and/or local dignitaries.
3. Three (3) cupcakes in display and judging condition should be delivered to the pie tent at the Harvest Festival no later than 1:00 p.m. Judging begins at 1:15 pm. Winners will be announced at approximately 2:15 p.m. in the pavilion.
4. Prize will be awarded to the **Junior Cupcake Baking Champion** (as judged by our panel). At the organizers' discretion, the junior division may be divided into 3rd-5th grade/6th-8th grade based on the number of entries received by September 14, 2024.
5. TFARS members and their immediate families are excluded from participating in the baking contest.
6. **Parents are encouraged to guide and supervise their junior bakers to ensure sanitary baking practices are followed and to prevent injury or accident. Parents should make certain that the final product their child submits for consideration is the result of that child's efforts.**

I further certify that my child has prepared the entry in accordance with the rules stated above. I am aware that violation of any of the above rules will result in forfeiture of any prizes to which my child would have otherwise been entitled, and that I assisted in the baking process **only to the extent necessary to ensure a safe, positive, and sanitary environment** for my child and the final product.
